Reception

In the act of breaking bread, we call upon the various traditions of sharing that takes place in domestic, secular, and sacred life where we come together to give ourselves to one another fully, to nurture life, to renew our spirits, and to sustain our hope. ~ Gloria Jean Watkins

Food has always been an important part of rituals, gatherings, and tributes. Because we understand that meaningful ceremonies include both mourning a death and celebrating a life, we offer the unique convenience of catered hors d'oeuvres, luncheons, dinners, beverage service, and full receptions for the families and guests we are privileged to serve.

Reception services create a warm and comfortable atmosphere that encourage sharing memories of your loved one—an opportunity to laugh, to cry, and to begin the healing process together.

Whether you would prefer hors d'oeuvres, a light lunch or a full buffet for family and friends, we can accommodate you with a variety of available options.

Our facilities can accommodate both modest and large receptions. In addition to providing reception services at our facilities, we are also able to provide these services at the location of your choosing including; your church, your home, a community reception center, or another meaningful location.
