

Reception Services

In the act of breaking bread, we call upon the various traditions of sharing that takes place in domestic, secular, and sacred life, where we come together to give ourselves to one another fully, to nurture life, to renew our spirits, and to sustain our hope. {Gloria Jean Watkins}

Food has always been an important part of rituals, gatherings, and tributes. Because we understand that meaningful ceremonies include both mourning a death and celebrating a life, we offer the unique convenience of catered hors d'oeuvres, luncheons, dinners, beverage service, and full receptions for the families and guests we are privileged to serve.

Reception services create a warm and comfortable atmosphere that encourage sharing memories of your loved one—an opportunity to laugh, to cry, and to begin the healing process together.

Whether you would prefer hors d'oeuvres, a light lunch, or a full buffet for family and friends, we can accommodate you with a variety of available options.

Prairie View Reception Center offers your family an inviting and comforting place to gather in remembrance and celebration of a life well-lived. Our experienced staff is dedicated to making your time with us as memorable and uplifting as possible.
